# COMPENSATION PLAN

March 2017

# WE ARE SPECIALIZED IN CRYPTOCURRENCY

---

Alpha Centauri Inc. runs CTX-Line, the pool mining program connected with Centauri Coin (CTX), a highly innovative and thriving cryptocurrency.

Having CTX spread worldwide and make it the world's most accepted cryptocurrency - this is our goal. Therefore we created a program that rewards entrepreneurs investing in the companies' to effectively mine CTX.

We only offer b2b activities. So any User assures that he is an entrepreneur in terms of the local law and taxes in his country.

All returns specified below are calculated in 100 day cycles known as 'business cycles' (Monday to Friday, except some international holidays).

When one business cycle ends, another one starts automatically. This automatic extension of period causes no interruption in the compensation plan. There is no automatically downgrade.

All User chooses their own individual initial entrance level (beyond certain minimums specified on our website) to earn profits and all User can also participate in our affiliate program for further commissions.

# BECOME AN User

---

Our key position is called **User**.  
You can reach this position by cumulating a minimum of 100 CTX  
in your **PERSONAL performance**.

**Our company doesn't accept fiat currency!**

We are well positioned in the cryptocurrency market, **so we only accept Centauri (CTX)!**

Until you become an User you will only be rewarded with our FIRST BONUS and for your personal recruiting in form of a MATCHINGBONUS of **0.05% per day**.

This MATCHINGBONUS is calculated for each 100 business days (Monday to Friday) but is paid as a daily bonus (for example 5% per 100 days will be paid daily as 0.05% and so on).

## Passive residual bonus

- ◆ Any User earns 0.2% commissions per day (Monday to Friday) on the total amount from his/her deposit.
- ◆ You can resign your participation after a business cycle of 100 days.
- ◆ If you resign your participation you will earn 1.1% (fund + commission) daily and your affiliation will end after a business cycle of 100 days (initial fund + 10 % gain = 110 %).
- ◆ All payouts come in Centauri (CTX). If a User leaves his funds in the program as a deposit in the current cycle, the cumulative commissions of one business cycle will be 20% of the total deposit.
- ◆ The minimum deposit is 10 CTX and there is no maximum limits for deposits.
- ◆ An initial deposit of 3,000 CTX will give the User a return of 0.3% a day.
- ◆ An initial deposit of 25,000 CTX will give the User a return of 0.5% a day.
- ◆ Become a GD User and GD gives you 4 different and unique ways to profit.
